Ahtopol is situated in the hearth of the National reserve "Strandja" the biggest and one of the most exotic parks in Bulgaria. The clearest rivers in Bulgaria, Veleka and Rezovska are flowing here, through many meanders. The reserve is an ideal combination between an active holiday on the beach and in the mountain. Here you can find a great choice of various outdoor activities such as fishing, bicycle riding, hiking, hunting or horse riding and you will enjoy all these on the scenery of some of the most virgin and unspoiled nature. Basic Tourists' Routes:
